Assumptions Used in Arriving at Fiscal Estimate

The State Public Defender (SPD) is statutorily authorized and required to appoint attorneys to represent indigent defendants in criminal proceedings. The SPD plays a major role in ensuring that the Wisconsin justice system complies with the right to counsel provided by both the state and federal constitutions. Any legislation has the potential to increase SPD costs if it creates a new criminal offense, expands the definition of an existing criminal offense, or increases the penalties for an existing offense.

This bill does not provide for a new criminal offense, expand the definition of a criminal offense, or increase criminal penalties. The bill would amend and clarify the rules of appellate procedure regarding petitions for review in the Wisconsin Supreme Court. It does not appear that the bill would increase the number of post-conviction proceedings in which the SPD would appoint counsel. Therefore, the SPD does not anticipate any increase or decrease in its caseload as a result of this proposal.
